UNIVERSITY SYSTEM OF GEORGIA

Organizational Effectiveness

Strategic Implementation Services

- **Project Management**
  - Initiating, planning, executing, controlling and closing strategic projects
- **Change Management**
  - Preparing, equipping and supporting USG to successfully adopt change within the organization
- **System Integration**
  - Bringing multiple USG and third-party systems, services, and technology together to function as a cohesive whole

OSI Research

- Investigate common tools/services to solve common challenges
  - Which institutions are using what tools/service
  - Strategic fit (is there a need)
  - Institutional satisfaction with the tool/service
  - Standardization benefits
    - Student experience
    - Metrics
    - Economy of scale

UNIVERSITY SYSTEM OF GEORGIA

OSI Research

- Determine if System-wide contracting makes sense
  - USG System-wide contract
  - USG System Institutional enabling contract
  - Individual Institutional contracts
- Get pricing options from vendor(s)

Online Career Portal Inventory

Legend:
- = Handshake (blue)
- = Simplicity (yellow)
- = Purple Briefcase (purple)
- = Other (red)

Next Steps

- Gather information from Career Services leaders on campuses
- Get pricing quotes from vendor(s)
- Work with Career Services Directors on potential options
- Update leadership on recommendations
